

# Gas Meter House

## Herrick Archives Building S 40

1. This is the gas meter house at the northwest corner of Building 263. It is of concrete block construction and has outside dimensions of 15'4" x 13'4".

The construction of this gas meter house was included in the contracts for Building 263. See Sheet 29 in the book of campus maps in the University Archives for the location of S 40 in relation to Building 263.

See Addendum No. 1.

For identification of other buildings shown, see Appendix A.

See report for Building 263 for construction dates. See Photograph X 12015 in Photoarchives for a photograph for S 40.
